

Property Maintenance Department

CHICKEN COOP PERMIT INFORMATION

- Residential Building Permit Application (can be found on our website www.voslwi.org under “departments” then “Building and Zoning” and towards bottom of page click on “Residential and Commercial Building Forms”).
- Plot Plan or survey with location of shed or gazebo and the setbacks and property lines clearly marked. If you don’t have a survey, you can go to the following website to obtain the plot plan: <http://kc-web-01.kenoshacounty.org/InteractiveMapping/>
- If you have a homeowner’s association, we need approval of the plans in writing
- Structural Plan, including square footage and dimensions
- Chicken Coop Permit Application (can be found on our website www.voslwi.org under “departments” then “Property Maintenance” then click on “Residential Chicken Coop Permit Application”).

Setbacks:

Under 1 acre: 5’ from side or rear property line & 10’ from any structure

Over 1 acre: 10’ from side or rear property line & 10’ from any structure

If you are installing on a concrete pad, the concrete must be 4” thick over 4” of stone

Please check with our office for the correct permit fee.
