****Please reference the attached pages to include Site Plan and Cross Section drawings of the Coop construction, indicating the proposed location of the coop and any existing structures on the property. Coop must conform to zoning and accessory building requirements. Chicken Coops will count toward the total number of Accessory Buildings allowed on your property. Accessory building set back requirements are listed on the back of this page. See the Village of Salem Lakes Ordinance under Chapter 186 Animals- Article IV Chickens in Residential Areas as amended (2019-09-06) for additional requirements.***
